ASSOCIATION WINGS

INSTRUCTIONAL WORK

The Association Wing continued with its routine activities of instructional work, enrolment of members, organizing of Lecturer's courses and providing support and participation in various health, social and relief programmes, under the frame of its principles and guidelines. During the year training was imparted to 5,75,171 persons in First Aid, Home Nursing, Mother Craft and Hygiene & Sanitation, in the categories of aerodrome staff, community projects, drivers and conductors, armed forces & police, mines & factories, NCC, civil defense, home guard, railway employees, teachers & students and the general public. It has been encouraging for the organization that First Aid /Home Nursing Certificates holders showed their willingness to obtain higher level Certificates. 26,631 Certificates holders were re-examined for vouchers, medallions, labels and pendants. In the field of major activities, the year has shown all round progress in the multiple of activities of the St. John Ambulance (India).

HOME NURSING

Training in home nursing provides basic knowledge and skill for nursing the sick and wounded which results into more stress on this field. The training in home nursing is given to all categories, age group, communities, schools, institutions, organizations etc. Sometimes people may need nursing care at home either because their illness is not such which requires hospital treatment or they have been discharged from hospital after treatment to complete their convalescence. St. John home nursing training caters to the requirements of patients care at home and imparts training to give knowledge of the basic principles of nursing care to enable them to use their skills for this purpose. During the year 49,806 persons were trained and awarded home nursing certificates.

MEMBERSHIP

In St. John Membership enrolment drive is a regular feature of the Association. The centres continued to make concerted efforts in the campaign for boosting the membership. During the year under consideration 593 life members were enrolled in State/UT Centres.

LECTURER'S TRAINING COURSE

The lecturers of the Association Wing are the true strength of the State, District and Local Centers to impart trainings in First Aid and allied subjects in the country. The State/UT Centers continued to organize training courses to enhance the panel of lecturers on the approved list of the National Headquarters. During the year 264 Lay Lecturer Certificates were revalidated and issued.

BRIGADE WING

The Brigade Wing functions as a para-medical force to provide First Aid cover and transportation service to the sick and wounded through First-Aid posts. Many Brigade Units maintained round-the-clock First-Aid posts at different places like Bus Stands, Railway Stations and other places. The other activities of the Brigade Units were setting up of eye check-up camps, health care centers and setting up of First-Aid posts in public congregations on the occasions of Republic Day, Independence Day, Rath Yatra, Trade Fairs, International Fairs and other public places of large gathering.

COMMUNITY SERVICE

The volunteers of Brigade Wing provide assistance to State Governments and district administrator on the occasion of Ganpati festival, Kumbh Mela, Rath Yatra, Republic Day etc. Eye camps were organized to provide free eye check up and treatment. The various State Units of St. John provided assistance to their State Governments in the Pulse Polio Programs. During the year under report, volunteers of Brigade Wing actively worked in distribution of blankets to the old and needy persons in the extreme winters.

Round-the-clock First Aid and Ambulance Services were provided by Delhi Brigade District of St. John Ambulance at Inter-State bus terminals to transport the serious patients to hospitals for further treatment.

SUMMARY OF THE ACTIVITIES OF

ST. JOHN STATE/ UT /

RAILWAY CENTRES AND

BRIGADE WINGS DURING 2017-18

1. Assam

The objective of St. John Ambulance is to provide First Aid and medical support of community needs and imparting education, training and personal development to young people.

After met with an accident or sudden illnesses the victims endure considerable and needless pain and suffering and some of them die, simply because the person present around them do not have the knowledge to undertake and emergency resuscitation, control bleeding, cope with poisoning or to treat shock. Based on this noble idea, the St. John Ambulance (India), Assam State Centre has taken in hand a comprehensive scheme to provide First Aid Training to the people of Assam Police Department, Govt. officials and urban and community people, State Transport Corporation, Industrial Sectors like ONGC, OIL, OIL REFINERY and different chemical plants of Assam at large.

Medical Services during Flood & Ethnic Violence:

Besides organizing First aid Services in the time of Flood in Assam, Medical Services also were provided along with the Ambulance. During the year Guwahati, Mangaldoi, Goalpara, Dhemaji, Bilashipara, Rangia, Sadiya District Branch rendered remarkable services to the flood victims by health checkup, First Aid and free distribution medicine of minor ailments with the help of District Health Services.

Ambulatory Service:

Red Cross Hospital, Chandmari, Guwahati: At present Red Cross Ambulance Service is provided only within the greater Guwahati and trying to extend it to the other districts also. But it depends on benevolence and generosity of the donors. First Aid camp with the Ambulatory Services also provided on the occasion of Bihu, Ambubasi Mela, Sivaratri, Durga puja, Assam Sahitya Sabha Sanmilan, Book fare, Trade fare, sports meet and other public rallies organized in Guwahati on some specific socio-cultural occasions. During the year 45 Ambulatory Services were done under different emergency situation.

Silchar District Branch: The Ambulance of the Silchar District Branch, mainly use for Hospital Patients on emergency call. The Ambulance also used for First Aid and Mock Drill besides Natural and manmade disaster in emergency. Ambulance moves daily at least 3 to 5 times in different emergency situation along with the Silchar town and its interior sub-urban areas. In a month at least 78 to 130 ambulatory service were provided by the IRCS, Silchar District Branch

Karimganj District Branch: Total 350 Ambulatory Services were given to the hospitalized patients, accident cases and during the natural calamities during the year under report.

Ambubashi Mela: Ambubashi Mela at Kamakhya Temple, Guwahati, Assam is one of the most important festivals of North East India in the month of June every year. More than 3,00,000 pilgrims assembled in the Mela from all over India and Abroad. The accommodation of the pilgrims, sanitation, drinking water, health & hygiene and security aspects has been adequately planned by the District Administration. As per request of the Kamrup District Administration, Assam State Centre also took active part in the Mela and provided several activities round the clock by the help of Trained First Aider and FMR Volunteers. First Aid, Medical Aid, Ambulatory Services etc. were performed by the volunteers.

Total 40 nos. of FMR volunteers and First Aiders took part in the programme for 7 days and more than 700 pilgrims were given First Aid medical aid and other Ambulatory Services.

3. CHHATTISGARH

First-Aid provides an initial rapid response to a health emergency, offering protective and life saving measures to minimize the impact of the situation until the affected person's condition is stabilized, remedied or professional help is made available. As an integral part of health promotion, First-Aid Training also includes information on how to prevent injuries and illness, and covers individuals, families and communities both in their daily lives and in the event of a crisis. First-Aid can be adapted to particular needs and attributes of a situation and should consider both the physical and psychological needs of the people concerned, including the volunteers, staff and beneficiaries.

First Aid Training: One of the most important activities is First Aid Training programme in various industries like: Students (JRC/YRC, Engineering Students), Police Department, Driver for Heavy Batch License, School/College Teachers and councilors, Academy Students and ANM Students and other industrial areas.

During the year under report total 1596 nos. of persons were trained in First Aid.

View of First Aid Trainings

4. DADRA & NAGAR HAVELI

The U.T. Centre has conducted First Aid Training courses in the industrial units, wherein the knowledge of First Aid is mandatory amongst the employees. During the year 2017-18 total 36 Nos. of batches of First Aid Training camps have been conducted wherein 801 nos. of industrial workers have also been trained. The UT Centre also plans to extend the First Aid Training programme in schools/colleges. Also Home Nursing, Mothercraft & Child Welfare Training for the general public is being commenced.
