Friends, we take this opportunity to congratulate all the doctors and the medical team that have tirelessly worked for the recovery of all the 7 positive cases of Covid-19 in the state. In total 765 samples were sent for testing, out of which 716 were found negative, 7 were positive which are now recovered, 42 results are yet to come. All 46 from Nizamuddin are found negative. From 3rd April 2020 no positive case is found. However lock down is still continued till 3rd May... It has been relaxed with certain restrictions laid down by the central government. For this we are grateful to you all the volunteers who have tirelessly worked to reach the needy persons in their locality. It is now the time that we all should see that no new case of corona is found in our state.
