Beneficiaries Speak

"Everyday I take meals for my family from Red Cross. Many people in my locality also come to Red Cross for their daily meals. The food they provide is of very good quality. We have no income in the lockdown period and it would have been impossible for us to survive without Red Cross. I really want to thank them."

**Radhe Shyam, a beneficiary from Purana Bus Stand, Bhiwani, Haryana**

"I am deeply thankful to Red Cross for providing me with 6 units of O+ve PRBC for my father’s cancer surgery at Yesha Onco Care, Navsari. I was very worried when the doctor asked me to arrange 6 units of blood. But when I reached Red Cross Blood Bank, Navsari, I got it immediately. Red Cross is doing extra ordinary work during the covid19 crisis. I salute all Red Cross staff, volunteers & voluntary blood donors for their service."
