Battling a Double- Edged Sword- Amphan Cyclone Amidst COVID Pandemic

An extremely severe cyclonic storm, Amphan savagely affected the capital of West Bengal, Kolkata and many other districts in the State. Trained volunteers are providing first aid and assessing the needs of affected people. The cyclone has also affected Odisha. IRCS Odisha coordinated activities like early warning, mobilization of vulnerable people into the IRCS cyclone shelters. Approximately 12,000 people were sheltered in IRCS cyclone shelters. A large population has been affected in Odisha & West Bengal and damage caused is being assessed.

Indian Red Cross volunteers in West Bengal and Odisha were engaged in disseminating early warning, maintaining social distancing, preparing cyclone shelters, providing food in cyclone shelters and evacuating people before the landfall of the cyclone to minimize loss of lives. At present the IRCS volunteers in West Bengal and Odisha are engaged in need assessment and in providing relief to the affected people. First aid kits & other equipments were provided in cyclone shelters along with masks, gloves and food. Cyclone Amphan claimed more than 70 lives in West Bengal. Nearly 45 lakh people in Odisha have also been affected by the extremely severe cyclonic storm Amphan, where crops have been affected and three deaths have been reported. The cyclone has severely damaged houses, standing crops, electrical infrastructure and uprooted trees in many districts. The affected districts are being supported through provision of tarpaulins to meet shelter needs. IRCS, NHQ has released **6000 tarpaulins** for the West Bengal State Branch to respond to the needs of cyclone affected regions. Tarpaulins are also being distributed by Odisha state branch volunteers.
