IRCS Dakshina Kannada District: The 24x7 Control Room is operated by our Social Emergency Response Volunteers (SERV) in the Dakshina Kannada District to provide the people with reliable information in coordination with the Dakshina Kannada District Administration.
OVERVIEW

Indian Red Cross Society, District and Taluka branches are at the forefront of the Karnataka State in assisting local government and partnered with the Information and Public Relations Department and the Karnataka State Labor Institute, Karnataka Government, and launched Corona Warrior's unique initiative, DIPR, GoK, to counter false news during the Covid-19 outbreak.

All the district and taluk branches are very much actively involved in spreading awareness among the construction workers and unorganised workers about the outbreak of Covid-19 and necessary preventive measures to be taken by providing masks, hand sanitizers and personal hygiene kits with the help and support of all the District Labor Officers, Labor Department, Government of Karnataka.

Also in collaboration with the department of information and public relations and labor department, Govt of Karnataka, All Indian Red Cross Society, District Branches are providing the reliable and verified information and data to communities on wheels through dedicated vehicles throughout the state.

The dedicated commitment and enthusiasm of Corona Warriors helped us to reach the very last person and serve the needy humbly in an emergency situation in the Karnataka State.
IRCS Gadag District Branch: Indian Red Cross Society, Gadag District Branch volunteers are at the forefront of reaching out to the actual Swacchta Soldiers (health and hygiene workers) who serve as social doctors to create and maintain a healthier environment for all.

We really appreciate our Gadag volunteers for recognizing the most special Swacchta Soldiers and serving them especially at the emergency health crisis. We would like to thank the local railway administration, the municipal commissioner and the district judge for encouraging our corona warriors by taking an active part in this red cross movement.
IRCS Kolara District Branch: The Indian Red Cross Society, Kolara District Branch, launched a publicity vehicle on 3 March 2020 to create awareness of the outbreak (Covid-19) supported by the Labor Department. GoK. and also distributed personal hygiene kits to construction and unorganized sector laborers in the District.

In carrying out this campaign, we sincerely appreciate the entire District Administration team in order to reach the last person and stop the spread of Covid-19 in the District.
